A Place of Sanctuary

The mission of Glastonbury Abbey is to be a Benedictine presence for the Church and to the people of the greater Boston area of New England

The Columbarium at Glastonbury Abbey (CGA) offers our extended community the opportunity for burial after cremation.

At the Glastonbury Abbey Columbarium, low stone walls are set within peaceful grounds near the monastic cemetery on the Abbey property. Each columbaria niche is a discrete chamber designed for use as a permanent entombment of cremated remains.

Arrangements

You may purchase a niche(s) for yourself and/or your loved ones. The CGA will oversee the placement and perpetual care of the deceased. The family is responsible for arranging any accompanying service and for bringing the cremains to the interment.

Cremains must be in an urn or other suitable container that will fit into a niche, which is 24" deep x 14" x 13". The capstone will be engraved in a standard format. The cost of the engraving is the responsibility of the family. No other ornamentation is permitted on top of, or around the columbarium.

The Purchase Agreement, Deed, and CGA Policies and Definitions are available by contacting the CGA office at (781)749-2155, x371. A right-of-way clause is included in the deed to ensure continuing access to the columbarium.

Costs

Each niche costs \$3000 with an interment cost of \$500 which covers a \$300 charge to open and close the niche; \$200 defrays the cost of perpetual care.
