## GLASTONBURY ABBEY

**T**he Abbey of Our Lady of Glastonbury in Hingham, Massachusetts, was founded in 1954 to carry on the tradition of St. Benedict. It is a community of Benedictine Monks who devote their lives to God through prayer, work and service. The monastery welcomes all people who come to pray, spend time in spiritual retreat and renew and strengthen their faith in the promises of Jesus Christ.

In addition to our principal ministry of prayer, our monks reach out to others, with the help of our friends, through a variety of ministries at the monastery itself and in the local area as well. Retreats, education, social service, parish assistance and supporting the needy are just some of the ways we serve God and our fellow human beings.

*Please consider remembering  
Glastonbury Abbey with  
a planned gift or in your will.*

If you would like to ensure that the good you have accomplished on earth lives after you, we hope you might consider providing a gift to help our Benedictine Monks continue their lives of prayer and good works. After you have made bequests to your family and loved ones, you can, through your gift, create a personal memorial that will keep nurturing spiritual strength and the word of God for years to come.
